

ICT BURSARY APPLICATIONS 2019 ACADEMIC YEAR

Digital access and inclusion are fundamental to the Fourth Industrial Revolution characterized by a digital society and knowledge economy. In driving change to bring about the digital transformation, SITA through its ICT bursary scheme, seeks to create a technical pipeline aimed at addressing the current skills gaps within the Information and Communication Technology fraternity.

The bursary is targeting qualifying youth who are currently pursuing studies ICT at any recognised South African tertiary institution.

Bursaries will be awarded to a limited number of students studying in the following fields of study as outlined in the ICT Qualifications Framework:

- i) IT Management and Administration,
- ii) IT Systems development and implementation,
- iii) IT in Business,
- iv) IT Strategy and Planning,
- v) IT Systems Support,
- vi) IT Sales and Marketing

How to Apply:

The following documents must be submitted:

- Fully completed bursary application form.
- Proof of registration from the tertiary institution.

Note: Only students who are South African citizens will be considered for this opportunity.
