

Third Examination Opportunity / Final Assessment Opportunity

Further information and Contact details

Please take note:

Students who qualify for the third examination/ final assessment opportunity will be identified and contacted by the Faculty.

Only FINAL year students who need to pass ONE module to graduate will be considered to complete the third opportunity examination/ final assessment opportunity on 15 February 2021.

Please read Memo 24 from Prof's Balfour and Verhoef which explains the criteria to qualify for a third opportunity or final assessment.

If a student qualifies for the Third Opportunity Examination and have not been contacted by their Faculty by 5 February 2021 he/she may contact the faculty, by utilising the list below to establish who the specific contact person is in this regard.

The table below indicates who the relevant contact persons in the various faculties and campuses are.
