## National Anthem

### English translation

Nkosi sikelel' Afrika  
 Maluphakanyisw' uphondo lwayo,  
 Yizwa imithandazo yethu,  
 Nkosi sikelela, thina lusapho lwayo.        (Xhosa and Zulu)

Lord bless Africa  
 May her glory be lifted high,  
 Hear our prayers  
 Lord bless us, your children.

Morena boloka setjhaba sa heso,  
 O fedise dintwa le matshwenyeho,  
 O se boloke, O se boloke setjhaba sa heso,  
 Setjhaba sa South Afrika - South Afrika.        (Sesotho)

Lord we ask your to protect our nation,  
 Intervene and end all conflicts,  
 protect us, Protect our nation,  
 Protect South Africa, South Africa.

Uit die blou van onse hemel,  
 Uit die diepte van ons see,  
 Oor ons ewige gebergtes,  
 Waar die kranse antwoord gee,        (Afrikaans)

Out of the blue of our heavens,  
 Out of the depths of our seas,  
 Over everlasting mountains,  
 Where the echoing crags resound

Sounds the call to come together,  
 And united we shall stand,  
 Let us live and strive for freedom,  
 In South Africa our land.        (English)

Sounds the call to come together,  
 And united we shall stand,  
 Let us live and strive for freedom,  
 In South Africa our land.

## Boodskap van Visekanselier aan eerstejaarstudente 2020

Baie welkom by die Noordwes-Universiteit! Ons wil jou hier laat tuis voel en ons wil hê jy moet 'n sukses maak van hierdie gedeelte van jou opvoeding.

Die Registrasie- en Oriënteringsprogram is ontwerp om jou toetreding tot die NWU te vergemaklik. Dit is belangrik om te besef dat jy nuwe verantwoordelikhede sal moet aanvaar en baie meer selfstandig sal moet word as dit waaraan jy dalk gewoond was tot nou toe.

Diversiteit en insluiting is sleutelfasette van die studenteveraring by die NWU en ons diens word aangebied binne 'n sorgsaamheidsetiek. Hier is dus geen toleransie vir enige vorm van ontgroeningspraktyke, gedrag wat indruis teen ons verbintenis tot menseregte, enige vorm van teistering, en geslagsgebaseerde geweld nie.

Ons rol as akademiese en ondersteuningspersoneel van die NWU is om jou op jou akademiese reis te ondersteun. Maak asseblief gebruik van al die hulpbronne tot jou beskikking om hierdie reis so glad moontlik te laat verloop.

Leer ken jou medestudente en wees deel van die studentelewe in al sy fasette. Moet nooit dink dat dit net vir ander mense bedoel is nie - gryp elke geleentheid aan wat die NWU bied.

Daar sal baie afleidings wees, maar onthou dat jou akademiese sukses altyd prioriteit moet geniet. Ons wil hê jy moet suksesvol wees, maar jy moet verantwoordelikheid daarvoor aanvaar. As die klasse begin, bly gefokus, en neem met oorgawe deel.

Onthou, dit begin alles hier.

My beste wense vergesel elke eerstejaarstudent vir 'n suksesvolle jaar en verblyf by die NWU.

## Message from Vice-Chancellor to first-year students 2020

A warm welcome to all of you to the North-West University! Our aim is to make you feel at home here and for you to make a success of your education.

This Reception and Orientation programme is designed to equip you to adapt as quickly as possible to life at NWU. It is important to realise that you will need to accept new responsibilities and develop much greater self-reliance than you may have been used to in the past.

Diversity and inclusion are key facets of the student experience at NWU and our service is offered within an ethic of care. This means that we have zero tolerance for any form of initiation practices, behavior which contradicts our commitment to human rights, any form of harassment or gender based violence.

Our role as academic and support staff of NWU is to assist you on your journey. Please access the many resources that are available to make this journey as smooth as possible.

Engage with fellow-students and be part of student life in all its many facets. Never think that this is only meant for others - make sure that you take every opportunity that the NWU offers.

There will be many distractions, but remember that your academic success should take priority. We want you to succeed, but you have to take responsibility for this. When classes commence, stay focused, participate diligently and engage fully.

Remember, it all starts here.

My best wishes accompany each and every first-year for a successful year and stay at NWU.

Dit is waar ons jou help om jou drome te verwesenlik. Ons vernaamste fokus is natuurlik om jou van 'n hoëgehalte en goed afgeronde opvoeding te voorsien en om jou voor te berei vir die wêreld van werk. Soos Malcolm X gesê het: "Onderwys is die paspoort tot die toekoms, want môre behoort aan dié wat vandag daarop voorberei."

Ons doelwit is om jou te help groei en ontwikkel in die areas van leef, leer en werk. Daar is allerlei stelsels, eenhede en programme in plek om jou te help presteer; maak voluit daarvan gebruik. Die biblioteek, Sentrum vir Onderrig en Leer, rekenaarlaboratoriums en EFundi, die NWU se aanlyn leerplatform, is maar net 'n paar van die maniere waarop jy jou leer kan verbeter. Ons akademiese en ondersteuningspersoneel is altyd beskikbaar om 'n ondersteunende leeromgewing te bied.

Onthou dat jou akademiese werk jou eerste prioriteit is; werk dus hard om bo uit te kom!

Maar hoewel dit belangrik is om op jou akademiese projek te fokus, is dit ook belangrik om aandag te gee aan die ander aspekte van lewe wat 'n rol speel in jou sosiale, psigologiese, emosionele en geestelike welstand. Die Departement Studentelewe staan gereed om by te dra tot jou opwindende en dinamiese studente-ervaring. Ons nooi jou uit om hierdie geleenthede voluit te benut – hetsy die verskillende sportkodes, kuns en kultuur of voorligtings- en gesondheidsorgdienste.

Jy het 'n platform om jou leierskaps-, fasiliterings-, organisasie-, beplannings- en kreatiewe en kritieke vaardighede te ontwikkel en te slyp. Dit is nou jôu taak en verantwoordelikheid om alle geleenthede aan te gryp wat oor jou pad kom.

Jy sal geleenthede kry om 'n aktiewe burger te wees en 'n bydrae te lewer tot die ontwikkeling van die gemeenskap. Ons moedig jou dus aan om jou dienste aan te bied vir enige van die projekte waarby Studentelewe en die Kampusstudenteraad betrokke is om 'n verskil te maak in die lewens van die universiteit se omliggende gemeenskappe.

Laat ons hande vat om seker te maak dat jou NWU-verblyf onvergeetlik sal wees, want dit begin alles hier!

This is where we assist you to reach your dreams. Our main focus is to provide you with a quality, well-rounded education and prepare you for the world of work. As Malcolm X stated "Education is the passport to the future, for tomorrow belongs to those who prepare for it today."

Our aim is to support you to grow and develop in the areas of living, learning and working. There are systems, units and programmes in place to help you achieve; take full advantage of them. The library, Centre for Teaching and Learning, computer laboratories and EFundi, the NWU's online learning platform, are just a few of the ways you can enhance your learning. Our academic and support staff are always available to provide a supportive learning environment.

I encourage you to always remember that your main priority is your academic work, so you need to work hard to excel!

At the same time, while it is important to focus on your academic project, it is also important to take care of the other aspects of life that contribute to your social, psychological, emotional and spiritual wellbeing. The Student Life Department is ready to contribute to your exciting, diverse and vibrant student experience. We invite you to use this opportunity for your benefit, be it in different sporting codes, arts and culture or counselling and healthcare services.

VSR-VOORSITTER | SRC PRESIDENT | MOPERESIDENTE WA SRC

As Voorsitter van die Verteenwoordigende Studenteraad verwelkom ek jou graag by die Noordwes-Universiteit.

Hier by die NWU bied ons jou meer as net 'n internasionaal erkende graad – maar ook 'n onvergeetlike studente-ervaring. Hierdie studente-lewe het 'n redelik eenvoudige grondslag: ons aanbod is deur studente, vir studente! Dit word bereik deur die oorbrugging van ideologiese verskille in 'n sorgsame kultuur van begrip, respek, en eenheid.

Dit beteken dat ons as studente-leiers poog om verantwoordbaar, toeganklik, geïntegreerd en relevant te wees – en ek nooi jou om ons aanspreeklik te hou vir daardie belofte. Word deel van 'n verenigde visie wat ons erfenis vier, maar laat ook ruimte vir diversiteit en groei. Maak jousef beskikbaar vir die studente-lewe deur jou stem te laat hoor en 'n erfenis hier agter te laat.

Raak betrokke by die vorming van die toekoms van studente-identiteit en onthou altyd: "Niks vir die studente, sonder die studente nie!"

As the Student Representative Council President, I wish you a warm welcome to the North-West University.

At the NWU we offer you more than just an internationally recognized degree – but also an unforgettable student experience. This student life has a rather simple foundation, and that is that our offerings are by students, for students! This is achieved via bridging ideological divides in a caring culture of understanding, respect, and unity.

That means that as student leaders we aim to be responsive, approachable, integrated and relevant – and I invite you to hold us accountable for that promise. Become involved in a united vision that celebrates heritage but also makes space for diversity and growth. Make yourself available to student life by having your voice heard, and leaving your legacy with us.

Become a part of shaping the future of student identity and never forget: "Nothing for students, without students!"

# THEO SEEPAMORE

KSR-PRESIDENT | SCC PRESIDENT | MOPERESIDENTE WA KBK

## Boodskap van die President van die Kampusstudenteraad

Goeiedag almal. Dit is 'n voorreg om julle hier by ons universiteit te verwelkom. Die NWU is een van die grootste en mees vooraanstaande universiteite in die land – vyfde in Suid-Afrika volgens die *Times Higher Education World University Rankings*. Ons verwelkom julle ook tot die volwasse lewe, want julle het nou die oorgang gemaak van leerder na student.

Hierdie nuutgevonde vryheid gaan gepaard met kompleksiteite en 'n groot verantwoordelikheid. As Kampusstudenteraad (KSR) van die Mahikengkampus is dit ons voorneme om julle te help om julle drome te verwesenlik om goed afgeronde graduandi te word.

Die KSR is die studente se stem; ons is studente se verteenwoordigers, so as daar enige uitdaging op jou pad kom of as jy enige voorstelle het wat hierdie instansie 'n beter plek kan maak, staan ons kantore se deure vir julle oop.

Gee genoeg aandag aan julle akademie, maar maak ook tyd om deel te neem aan buiterekurrikulêre aktiwiteite. Vind die regte balans, netwerk soveel as wat jy kan en maak nuwe vriende: die persoon wat langs jou sit, is dalk eendag jou kollega.

Ons is trots op ons dinamiese studentelewe wat onder meer die kampuskoor, drama, sport en leierskap insluit.

Die verwagtinge van julle ouers, gesinne, gemeenskappe en dorpiers rus op julle skouers. Sommige van julle is die eerste mens in die hele familie wat universiteit toe gaan. Alles wat julle hier doen, het die potensiaal om julle families se name groot te maak of deur die modder te sleep, so wees wakker, wees verantwoordelik, moenie toegee aan groepsdruk of vasgevang raak in dwelmmisbruik of enige ander vorm van verslawing nie. Onthou altyd dat julle 'n klein groepie bevoorregte mense is: duisende ander mense het ook matriek geskryf en aansoek gedoen om by die NWU te kom studeer, maar julle is gekies.

Laastens, maak die beste gebruik van elke geleentheid. Dit is die geleentheid van 'n leeftyd, gryp dit aan! **Dit begin alles hier!**

WELCOME TO THE NORTH-WEST UNIVERSITY. O AMOGWTSWE MO UNIBESITI YA BOKONE BOPHIRIMA. WELKOM BY DIE NOORDWES-UNIVERSITIE.

## Message from the Student Campus Council President

Greetings to you all. It is a privilege to welcome you to our university, one of the largest and most distinguished in the country, ranked fifth in South Africa according to the *Times Higher Education World University Rankings*. We also welcome you to adulthood as you make the transition from being a learner to being a student.

This new-found freedom is coupled with complexities that come with great responsibility. As the Student Campus Council (SCC) of Mahikeng Campus, our aim is to help you realise your hopes and aspirations of becoming well-rounded graduates.

The SCC is the students' voice; we are students' representatives, so should you face any challenge or have any suggestion that will make this institution greater, don't hesitate to come to our offices.

While you need to pay attention to your academics, find the time to take part in extracurricular activities. Strike a balance, network as much as you can and make friends: the person sitting next to you might just be your future colleague.

We pride ourselves on our vibrant student life which, among others, includes the campus choir, drama, sport and leadership.

You carry the hopes of your parents, family, community and some of you, your villages. Some of you are the first in the family to have made it into university. Your actions here have the potential to tarnish your family's name or make it greater, so wise up, be responsible, do not be consumed by peer pressure or substance and any other abuse. Always remember how fortunate you are that of all the learners who wrote matric and applied to study here at NWU, you were chosen.

Lastly make every moment count and create the best memories. This is a lifetime opportunity, embrace it! **It all starts here!**

WELCOME TO THE NORTH-WEST UNIVERSITY. O AMOGWTSWE MO UNIBESITI YA BOKONE BOPHIRIMA. WELKOM BY DIE NOORDWES-UNIVERSITIE.

## STUDENT CARD

### What is it?

Identity confirmation card declaring you as a current full-time registered student at NWU

### What is it used for?

Your student card provides access to the NWU's Mahikeng campus:

- Main gates
- Turnstiles
- Residences

(only registered residents of the residence)

Taking attendance in the class and examination rooms.

### Did you know?

The student number is automatically generated by the system. Consecutive numbers differs with a number of 8 (e.g. 12345686 will be the follow-up of 12345678). The last two numbers are of such a nature that no two students will have the same first seven numbers (e.g. if a number is 12345671 there cannot be a student number 12345679).

There is a bar in Mozambique (Ponta de Ora), Fernandos, where it is tradition to put your student card up against the wall when you visit.
