## PROF LINDA DU PLESSIS

ACTING PRINCIPAL AND VICE-CHANCELLOR

Thank you for choosing the North-West University for your studies. Welcome to our institution, where I hope you will feel at home as you embark on this important phase of your life. We wish you a successful journey as you start your education in your chosen career path. At the NWU we aim to deliver graduates who are well prepared for the workplace and able to contribute to our country's economic growth.

Our Reception and Orientation programme is designed to equip you to adapt as quickly as possible to life at the NWU. It is important to realise that you will need to accept new responsibilities and develop much greater self-reliance than you were used to in the past, more especially as you do this amidst a global pandemic that has brought its own unique challenges on a global scale.

Diversity and inclusion are key facets of the student experience at the NWU and we pride ourselves in our ethic of care, which forms the basis of all service delivery at our institution. This means that we have zero tolerance for any form of initiation practices or other behavior which contradicts our commitment to human rights, as well as any form of bullying, sexual harassment or gender-based violence.

Our role as academic and support staff of the NWU is to assist you on your journey. Please access the many resources that are available to make this journey as smooth as possible. Never think that this is only meant for others – make sure that you take ownership of every opportunity that the NWU offers.

Engage with fellow-students and be part of student life in all its many facets, but please do so in a safe manner, adhering to the protocols put in place to curb the effects of the Coronavirus.

There will be many distractions, so always remember that your academic success should take first priority. We want you to succeed, but you need to take responsibility for this. When classes commence, stay focused, participate diligently and engage fully. This phase of your life lays the foundation on which you will build your career, and a solid foundation is vital to success in your chosen career path.

The NWU prides itself in its ethic of care, which was demonstrated recently when the NWU was voted as the safest university in the country during a poll amongst South African students. We have taken vast measures to ensure the safety of our students, which includes the health of students during the pandemic. It is vital that you also play your role in these efforts by keeping safe. On the academic front our institution also did extremely well by placing fifth in recent rankings, which shows the commitment of our academic and support staff in achieving academic excellence. You have therefore chosen a safe environment in which you can further your studies while knowing that we strive for academic excellence. It all start here, and remember, we care about you.

## PROF DAVID MODISE

ACTING VICE-PRINCIPAL AND DEPUTY VICE-CHANCELLOR:  
PLANNING AND CAMPUS OPERATIONS VANDERBIJLPARK CAMPUS

Welcome all of you to the 2022 academic year! We are thrilled to share this new academic journey with you as you participate in a quality educational journey of discovery. On behalf of the entire North-West University community, I am excited that you have made the choice to join us.

I know you are preparing for the start of your university life under very challenging conditions, but we promise you quality education and a unique student value proposition. As you explore your university life, please know we are committed to delivering an outstanding experience and you will find unlimited opportunities to enjoy campus life by learning, exploring, and engaging together.

Even as the Covid-19 pandemic continues to change our world, the North-West University's spirit remains as resilient and as strong as ever. Though our lives have changed as a result of this worldwide pandemic, we have come to learn that uncertainty is part of life and that health is a precious gift. Please understand that your wellbeing and safety will always come first and that your success is central to our mission at the NWU. With your collaboration we can make the 2022 academic year a great success.

We have a proficient team that will help you navigate your university life to ensure a successful start to your university studies. Vital to your experience at the NWU is our commitment to diversity and inclusiveness. I encourage you to explore all that the university has to offer and take advantage of many of our services to help you achieve your full potential.

I hope you stay safe and remain positive: Covid-19 will pass and you will be wiser, stronger and more resilient. I cannot wait to see you make a mark on our community in a few short months! Once again, on behalf of the entire university community, welcome to the NWU. Have a fabulous year!

Sincerely,

Prof David Modise

## DR SIBUSISO CHALUFU

EXECUTIVE DIRECTOR: STUDENT LIFE

On behalf of NWU Student Life, I would like to welcome you, our First Year Students, and congratulate you on completing your high school education amidst the challenges occasioned by the ongoing COVID-19 pandemic. Through achieving this milestone, you have already displayed great perseverance and dedication towards achieving your full potential – something that will come handy as you navigate this thing called life.

As Student Life we aim to contribute towards your holistic development by ensuring that you become a well-rounded, innovative and socially responsible citizen of the world. The NWU is committed to providing a diverse, safe and valuable student experience through a rich variety of co-curricular programmes and activities including arts and culture, sports, student leadership, residence life, student media, health and psycho-social support.

Although COVID-19 has required us to re-think how we function and engage, I can assure you that the 2022 Registration and Orientation Programme has been carefully planned with you in mind. It remains vital that you participate in this programme which has been developed to equip you with the necessary skills and information on your academic programme, available support services, co-curricular opportunities and residence life. Acquiring these skills will enable you to navigate your first few months at the NWU, and thereafter successfully complete your academic journey.

From today onwards you are part of the NWU community of staff and students who are here to support and guide you every step of the way. I encourage you to explore, participate and enjoy the wealth of opportunities available to you, presented either online or where possible in-person, whilst prioritising your own health and safety, as well as that of your fellow students and staff.

Though the times ahead remain uncertain, your ability to persevere and rise above circumstances will ensure that you reach your goals and aspirations. Therefore, remain confident and know that, with our support and encouragement **YOU WILL ACHIEVE SUCCESS.**

I wish you everything of the best during your time at the NWU – embrace every moment and remember:  
*“It all starts here.”*

## THUSOYALETHABO MOLEFI

SRC: PRESIDENT, NORTH-WEST UNIVERSITY

Dear NWU First-year student

Welcome to the North-West University, congratulations on your admission!

As the NWU SRC and community at large, we are pleased to have you at this institution. This is the beginning of the most exciting and adventurous journey of your life. It is without a doubt that you are special! You have been chosen to join and form a part of the prestigious NWU community. This is chance for you to achieve your inner ambitions, grow in every facet, experience a vibrant student life and excel beyond your own expectations; the possibilities are endless!

In this new chapter of your life, I encourage you to get out of your comfort zone and explore the various opportunities that university life has to offer. I also encourage you to ensure that you participate in the diverse extra-mural activities that the NWU has to offer. These include sports, associations, societies and social events. This will help you to nurture a culture of socialization and will enhance your student life experience.

As you start your academic journey at the NWU, it is important to know that you are not alone. You will be faced with several challenges in the different aspects of your student life, however, you should not be discouraged because we will be with you every step of the way. The NWU SRC, SCCs, Staff and returning students all remain united towards ensuring that you have a unique and thrilling university experience. Feel free to reach out whenever you need assistance!

I am equally excited for this for this new chapter of your life. As our university motto says, "it all starts", I challenge you to start making a difference here at the North-West University.

SRC regards  
Thusoalethabo Molefi

## MOTAUNG MOJALEFA

SCC: CHAIRPERSON VANDERBIJLPARK CAMPUS

Dear NWU Vanderbijlpark Campus First-year Student

Greetings First-year students of the NWU Vanderbijlpark Campus, receive the warm welcome from Students' Campus Council.

You are privileged to be part of this prestigious institution, many would've loved to be part of this institution, but only you were chosen on the criterion of the cream of the crop. You can be very proud of yourselves.

The journey you are about to embark on requires a different version of yourself, be open to learning and to developing new skills that will set you far from the rest and make you a suitable candidate for global opportunities. Our university motto opines that "it all starts here"; this will be the beginning of crafting you as a well-rounded individual, a social butterfly, a prolific sports person, a personified cultural and religious enrichment and an academic giant which will be able to participate in global entities.

Nelson Mandela once said "Education is a great engine of personal development. It is through education that a daughter of a peasant can become a doctor, the son of a mine worker can become the head of mine, that a child of a farm worker can become the president of nation."

Although no one can go back and start afresh, you as a First-year student have the opportunity to build a bright and prosperous future.

All the best for the journey ahead.

SCC Regards  
Motaung Mojalefa

The NWU's (North-West University) core activities, teaching-learning and research, are intertwined with community engagement and innovation on our three campuses which serve both distance and contact students.

## What we do

Our core business is teaching-learning and research, with community engagement and innovation intertwined in these activities.

Ultimately, though, our role is about creating value, which refers to our output and outcomes, as well as our obligation to promote social justice in our communities.

## Where we operate

We operate mainly in South Africa, but collaborate extensively with institutions and people all over the world. In 2018, the NWU had slightly more than 1 600 active agreements and memoranda of understanding, of which 250 were signed during 2018.

## What sets us apart

No academic time lost in the past few years

Second largest number of distance students in South Africa

Rural setting and safety of our campuses

### *What is it?*

Identity confirmation card declaring you as a current full-time registered student at NWU.

#### What is it used for?

Your student card provides access to the NWU's Vanderbijlpark Campus:

- Main gates
- Turnstiles
- Residences
- Computer labs

(only registered residents of the residence)

Taking attendance in the class and examination rooms.

### *Did you know?*

The student number is automatically generated by the system. Consecutive numbers differ with a number of 8 (e.g. 12345686 will be the follow-up of 12345678). The last two numbers are of such a nature that no two students will have the same first seven numbers (e.g. if a number is 12345671 there cannot be a student number 12345679). There is a bar in Mozambique (Ponta do Ouro), Fernandos, where it is tradition to put your student card up against the wall when you visit.

**BE GREATER AT THE NORTH-WEST UNIVERSITY!**

### What do we believe ?

We as a community of university students believe in a learning environment based on transparency and accountability.

#### FREEDOM

Everyone has the right to freedom and security, which includes physical and psychological integrity, as well as freedom of expression and association.

#### EQUALITY

At the NWU we deem all students equal, irrespective of race, sex, colour, sexual orientation, age, disability, religion, culture or language.

#### HUMAN DIGNITY

Every individual has an inherent dignity and the right to have that dignity respected and protected.

### Therefore:

- Therefore we believe that no-one may be subjected to any treatment that makes him/her feel inferior.
- We regard every life as worthy of protection and create conditions for life that make living worthwhile.
- Every individual is entitled to privacy in his/her personal and student life, and his/her dignity as a human being may not be violated.
