The monitoring process has revealed the following pertaining to the afore-mentioned voting period:

*Data for the 72-hour voting period measured between 25 August 2023 (10:00) – 28 August 2023 (10:00).

**Spoilt ballots referenced above refer to, amongst others, student voter participation on a campus where the student is not a registered student voter.

***Successful ballots referenced above refer to preliminary compliant student voter participation, subject to the period of objections as provided for in the Institutional Rules on Student Governance (2023) referred to hereunder.

We will continue to update the student community and wish to remind students of their obligation to report any transgression of the [Institutional Rules on Student Governance](#) to the Independent Students' Electoral Commission, isec@nwu.ac.za.

Yours sincerely
