NWU DIY App

Online platform of the NWU where you can capture your student details and information: <https://diyservices.nwu.ac.za/>

Conditional Registration

A conditionally registered student has not met the prescribed financial requirements to complete their registration - this is automatically indicated by the Varsite Student System (VSS).

You can go from a conditionally registered student to a registered student by:

1. Paying the outstanding first minimum payment in full; or
2. Making an arrangement with the NWU to settle the outstanding minimum payment; or
3. NSFAS confirming your NSFAS approval.
4. If you want to opt-out of being conditionally registered, please go to <http://vssweb.nwu.ac.za/str-webclient/SecureLearnerEnquiriesWin.do#/top>

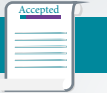

NSFAS Student

An NSFAS student is a student who has applied for and received approval for financial support from the National Student Financial Aid Scheme (NSFAS) to pursue their university studies in 2024.

****Note that the following steps are subject to change.**

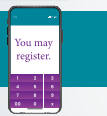

Step 1

Admission to the NWU.

Step 3

Wait for Student Finances to confirm your financial clearance via SMS.

Step 5

Capture your banking details via the NWU DIY App. Student Finances will inform you about the private accommodation arrangements.

Step 2
