PROF BISMARCK TYOBEKA

PRINCIPAL AND VICE-CHANCELLOR

Dear First-year Students,

A heartfelt welcome to the North-West University (NWU)! You've made a decision that promises a rich and rewarding academic journey - one that you won't regret. As you step into higher education, the NWU becomes your home away from home. Through our commitment to teaching, learning, research, community engagement, and a vibrant student life, we aim to provide you with diverse experiences, preparing you for the challenges of the real world and empowering you to contribute solutions to societal issues.

Approach the Registration and Orientation (R&O) programme with an open mind, as it plays a crucial role in preparing you to understand yourself, your peers, and the university environment better. As part of the university community, familiarise yourself with the various educational, co-curricular, and psychological support services available to ensure your academic success.

At the NWU, we take pride in promoting diversity, not only among our staff and students but also in our curriculum offerings and student activities. Embrace these opportunities to prepare for an interconnected and multicultural world. Our commitment to inclusivity is a priority; we encourage you to feel at home and take advantage of the available opportunities while respecting the rights of others. Discriminatory practices have no place here, and we uphold a zero-tolerance policy for bullying, harassment, and gender-based violence. Join us in fostering a culture of respect and collaboration.

Your safety and well-being, along with that of our staff, remain paramount. We continue to enhance programs to ensure our campuses are safe environments for everyone.

As you embark on this journey, remember that many successful graduates, now leaders in various sectors, once began where you are today—with the Registration and Orientation programme. They built friendships, discovered new passions, and found life partners on campus. Seize this important phase of your life. Explore the vast opportunities in both academic and non-academic aspects of university life. Learn from experiences, cultivate new friendships, and embrace the chance to broaden your horizons.

Listen to the advice your family has given you, trust in your abilities, and embrace the warmth of the North-West University.

Your journey starts here—make the most of it.

Welcome!

It's more than a greeting!

The #NWUEagles see language as a bridge instead of a barrier. We like talking to one another and use different languages to understand each other. Along the way, we broaden our horizons and make each other feel a little more welcome.

It all starts here® ... with a hello!
